Dear Sir/Madam,

**RE: SEEKING INDIAN PARTNERS TO INVEST IN MANGANESE PROCESSING IN
ZAMBIA**

The above subject matter refers.

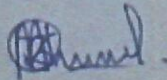

Our company registered with PACRA in Ndola, Zambia, and being a tax compliant member of Zambia Revenue Authority (ZRA) wishes to seek, through your office, genuine Indian firms or individuals to partner with in manganese mining in Mkushi District, Central Province of the Republic of Zambia.

It should be noted that manganese cannot be exported in raw form as guided by the new UPND Government which calls for setting up a processing plant in Zambia with electricity tariffs ranging between \$2.0 cents to \$9.0 cents depending on the size of the processing plant.

We are holders of a large scale manganese mining licence in Mkushi District, four hours drive from the Capital City of Zambia, Lusaka and the grade is between 45% and 52%.

Please accept, Your Excellency, assurances of my highest consideration.
